## NOTES TO FINANCIAL STATEMENTS

#### **DECEMBER 31, 2017 AND 2016**

(See Independent Accountant's Compilation Report)

## (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

The Organization assists earthquake affect communities in the Sindupalchowk region of Nepal to rebuild long-term, sustainable schools and homes. Its education program provides an inreractive learning environment for children ages 3-11 years old. The Agriculture Team focuses on agroforestry, forest gardening and water management at the village level.

## **Basis of Accounting**

The Organization has adopted Accounting Standards Codification (ASC) 958 for Not-for-Profit Entities.

#### **Financial Statement Presentation**

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets represent revenues and expenses related to the operation and management of the Organization's primary programs and supporting services. If funds are raised and set aside by the Board for future use, these are considered unrestricted. Temporarily restricted contributions that are expended for their restricted purpose in the same reporting period as received may be recorded as unrestricted.

Temporarily restricted net assets represent resources available for use, but expendable only for the purposes specifically stated by the donor.

Permanently restricted net assets are assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

There were no Temporarily or Permanently Restricted Net Assets as of December 31, 2017 and 2016.

#### NOTES TO FINANCIAL STATEMENTS

## **DECEMBER 31, 2017 AND 2016**

(See Independent Accountant's Compilation Report)

## (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Contributions

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When

#### **Contributed Services**

During the years ended December 31, 2017 and 2016 the value of contributed services did not meet the requirement for recognition in the financial statements.

#### **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

#### **Date of Management Review**

Management has evaluated subsequent events through November 10, 2018, the date on which the financial statements were available to be issued.

#### (1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Concentration of Credit Risk

The Organization's financial instruments that are exposed to concentrations of credit risk consist primarily of cash. The Organization places its cash and temporary investments with high quality credit institutions. As times, such investments may be in excess of the Federal Deposit Insurance Corporation insurance limit.

#### **Income Tax Status**

The Organization is a not-for-profit organization that has a pending application with the Internal Revenue Service for exemption from income taxes under Section 501 (c) (3) of the Internal Revenue Code and to be classified by the Internal Revenue Service as other than a private foundation.

## Property, Plant and Equipment

It is the Organization's policy to capitalize property, plant and equipment over \$1,000. Lesser amounts are expensed. Purchased property, plant and equipment is capitalized at cost. Donations of property, plant and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property, plant and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the organization reports expirations of donor restrictions when the donated or acquired assets must be placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property, plant and equipment are depreciated using the straight-line method over the estimated useful lives between 5 to 27.5 years.

## (2) FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the Organization's program and activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
